NBA SUPERSTARS

Important Bulletin for All *NBA Superstars* Operators!
December 3rd, 2024

1) A <u>Significant</u> *NBA Superstars* Software Update is Coming Next Week!

The major software update includes:
- All-new, arcade-style gameplay featuring larger characters, smaller courts, out-of-this-world slam dunks and celebrations, additional speech from Tim Kitzrow and much, much more!
- Updated team rosters and player headshots for the current 2024-25 NBA season!

To automatically receive the <u>free</u> software update next week, connect and register your *NBA Superstars* cabinet online immediately!

Step #1 – To connect your *NBA Superstars* cabinet online, enter the settings menu and navigate to *Online > Connection Wizard*.

Step #2A – If you have an existing *CoinUp* account, navigate to *Online > Cabinet Location/Registration* to register your *NBA Superstars* cabinet for the <u>free</u> software update.

Step #2B – If you don't have an existing *CoinUp* account, navigate to *Online > Operator Registration* to create a <u>free</u> account then to *Online > Cabinet Location/Registration* to register your *NBA Superstars* cabinet for the <u>free</u> software update. If you have any questions, please contact coinupsupport@playmechanix.com.

2) Triple-Check the Settings are Correct on Your *NBA Superstars* Monitor!

WARNING: If your *NBA Superstars* monitor is set up incorrectly, it will result in sub-par game performance and player experience! Please carefully verify all of the following settings on your *NBA Superstars* monitor:
