

# PERMANENT SAFETY SHIELD SOLUTIONS

During this unprecedented time, all businesses must take precautionary measures to protect their employees and patrons. The Elaut Group USA, a leading manufacturer of arcade amusement games, is manufacturing permanent Safety Shield solutions at their facility in Lake Worth Beach, FL.

The need for Safety Shields has become the "new normal".

Our Safety Shields are made from the same high-quality materials that go into our games, which are built to last in arcades worldwide!

Whether it's one or multiple shields, we can manufacture whatever size or shape your facility may need.

Call us to learn how we can provide safety and sanitary solutions for your location today!
